# ADHESIVE MERCHANDISE BAGS

Our new adhesive merchandise bags make a very convenient method your retailer customers can use for offering gift wrap in their stores. With our bags, stores no longer need to spend the time and labor cutting out and wrapping and taping gift wrap paper. The flexibility of using a bag is that one bag can fit various sizes of objects without needing a box and without needing tape as there is an adhesive strip. We offer a wide range of sizes and styles to meet the needs of a wide range of retail stores.
